Bridge Group

Bridge for 1 or 2 players and other card games

The Bridge Group won't meet until further notice. But its members – and other Living Water folks who are staying home 24/7 – can still play cards. One option is playing bridge online. You can also search the Internet for instructions for Honeymoon Bridge (for two). If bridge isn't your deal, there's a lengthy list of other card games that can be played by two people: Canasta, Crazy Eights, Gin Rummy, Go Fish, Golf, Hearts, 3 Card Poker, and so on. If you're going solo during the coronavirus outbreak, multiple versions of solitaire – such as Klondike, Patience, Pyramid, and Spider – are available. Finally, you can always pull out several decks and create an elaborate house of cards. Check the web for inspiration!

For more information on this monthly fellowship opportunity, please contact Richard or Jill Wehr (480-515-4813 or jillajw@cox.net).

20 Year Celebration for Living Water Church

Dear friends, it is with great joy that I write to you and congratulate you on the 20th Anniversary celebration for Living Water Lutheran Church. The words of the Apostle Paul come to mind. Paul writes to the Philippian church:

"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Jesus Christ." -- Philippians 1:3-6

One of the great pleasures and privileges of my life has been being able to be part of a brand new congregation of God's people. It was an exciting and invigorating journey to assist in developing a congregation from the ground up. I recall knocking on doors throughout the North Scottsdale area and inviting people to be part of the new community of faith, Living Water. Our very first worship service was held on Christmas Eve of 1997 at the Terravita Activity Center. The first Sunday service was on January 4th, 1998. We worshiped for about eight months at Terravita before moving into the brand new Grayhawk Elementary School in the fall of 1998.

The mission of the Holy Spirit back then was to create a Christian community which embodied the love that Jesus has for all of us and to put that love into action both locally and globally. We wanted a DNA for Living Water that cared for one another, but which also included loving outreach into the community, and a strong sense of evangelism which invites all people into a vibrant relationship with Christ. And today I know that the Holy Spirit is still active at Living Water, as those attributes remain part and parcel to who you are today.

It was indeed a celebration in March of the year 2000 when we closed the charter with 150 names on it, adopted our Church Constitution, and became an official congregation of the ELCA. Such great memories!

Yet, by far, the best part of my years as the founding pastor of Living Water have been the Christ-centered relationships that were created. To live, work, and witness together is special. And the bonds and friendships created are etched into my heart and soul. The same is true for my wife Lorrie and our two children, Sarah and Ben.

You are a blessed congregation. You are generous and loving people. May the God who has led you and loved you through these first twenty years continue to do the same long into the future. And as you are blessed by God, may you always be a blessing to others.

Happy 20th Birthday Living Water.

Very Sincerely, Pastor Tim Selbo

Join us in collecting items for Personal Care Kits for Lutheran World Relief's "A Season of Hope"

Once again, we will collect items for Lutheran World Relief's (LWR) Personal Care Kits as part of LWR's "A Season of Hope" during Lent. **Our collection begins on Sunday, March 1 and ends on March 29.**

Cleanliness may not actually be next to godliness, but it certainly helps a person feel more human. When families find their homes destroyed, or must flee for their safety, soap and a towel rarely make the cut for what they can carry. Arriving in a refugee camp or other place of safety, they are scared, vulnerable and dirty from the travel. The simple items included in a Personal Care Kit provide much-needed self-care, critical germ fighting, and the chance to regain dignity amidst situations of fear and uncertainty.

We can give hope through these 5 items:

- **2-3 bars of soap, totaling 8 or 9 oz., in original wrapping**
- **a new lightweight bath towel, minimum size 20"x40" and maximum 52" x 27", dark color preferred**
- **1 toothbrush, in its original wrapping****
- **1 wide-toothed comb (not a pocket comb)**
- **1 metal nail clipper, with or without a nail file attached**

Bath towels should be light or medium weight (no heavy, fluffy towels, please) and the **preferred size is 52" x 27"**. The minimum size is 20" x 40" and it should NOT be a hand towel. Dark colors are requested by LWR. **we can accept multi-packs of toothbrushes. They will be opened and individual toothbrushes placed in a sealed business-size envelope at the time of kit assembly.

We ask that you bring in the items for a complete kit if you can. There will be a collection bin in the church entryway. The kits will be assembled. They will be picked up by the LWR Ingathering truck at Shepherd of the Valley Lutheran in Phoenix on Saturday, April 18. We'll again have some financial support from a Thrivent Action Team Grant to help us fill out needed items. Last year, through your generosity and the help from Thrivent, we were able to assemble 122 Personal Care Kits. Can we do it again? Thank you for your support!
